NEW Mannatech website

1. Why do I need to work with it every day
 - a. By Fall it should be fully up and running to replace our prior website
 - b. Time is NOW to start learning it and understand the newness

2. How to get started... Follow steps below or watch this video:
<https://mannatechvideos.wistia.com/medias/oa662mu8im>
 - a. Visit the U.S. or Canadian Mannatech website and click “Sign In,” at the upper right.
 - b. When you see the MyMannatech login on the right-side, click “Sign In.”
 - c. If you have not yet set up your account with MyMannatech, then click “Forgot Your Password.”
 - d. Where it prompts you to enter your Username, enter your Mannatech account number. Where it asks for your email, enter the email address associated with your Mannatech account if you are the only account tied to this email address. (If there is more than one account tied to your email address, then send an email to feedback@mannatech.com for additional support and skip next step)
 - e. If you are the only Mannatech account tied to that email address, then click on the “Send me reset password instructions” button. You will receive an email in your inbox within a few minutes that will give you instructions for resetting your MyMannatech password.

3. Now that you have access, Start exploring site.
 - a. HOMEPAGE: Once you are logged on, the first page you will see is your homepage. On this page you will see a snapshot of your business.
 1. You are able to edit what you see on this page. If you are on your computer and you look on the right side you will see a little box that is labeled EDIT WIDGETS. If you click on there you will see the available content that you can have on your homepage.
 - b. BUSINESS: Under the business page you have access to the following:
 1. Enrollments - This is where you will be able to do all your enrollments
 2. Contacts – This is your contact management system
 3. Resources Library – This is your new library and you will be able to send from here and when you send out a material it is always linked back to you
 4. Calendar - You can keep track of your appointments within your backoffice
 5. Tasks – You can keep track of your follow-up and other tasks
 6. My Website - Updated version of Mannapages and much better. Currently you have 2 landing pages but they are working on TruHealth and Uth and more will be coming.
 - c. COMMUNICATIONS:
 1. Chat – this is the ability to chat with other associates

2. Inbox – email program
 3. Notifications – this is where you can let the system know what notifications you want to receive
- d. COMMUNITY: a place to communicate with all associates
- e. REPORTS – Replaces SuccessTracker – there are currently 10 reports but more are coming
1. Anniversary - Display Members and Associates who have an anniversary.
 2. Terminated Auto Orders - Use this report to contact Associates who have recently cancelled their Automatic Order.
 3. Auto Orders in Exception- Find those individuals who have an Automatic Order which Mannatech is having a problem processing.
 4. New Customers - Identify new people in your organization. The report defaults to the past 30 days.
 5. Genealogy Report - Detailed information about each person in your organization. Change the levels deep to blank to return all.
 6. Downline Search - Search Your Downline
 7. Close to Personal Power Bonus
 8. Personal Power Bonus Qualified
 9. Close to Team Bonus
 10. Team Bonus Qualified
